

PRODUCT SPECIFICATIONS

Description: SportPanel® portable outfield fencing panels. Lightweight, multi-purpose fencing system.

Size: 44” H x 126” L (10ft. 6 in.) x 2” W

Weight: 22 lbs.

Materials: **Frame:** UV Inhibited, Titanium Dioxide additive, high impact, compounded PVC frame and fittings, 1.25” schedule 40 pipe.
Mesh interior: UV protected, polypropylene copolymer.

Color: White piping standard. White or Black mesh options. Yellow safety rail available.
Custom color mesh available.

Features:

- a) Lightweight Design
- b) Fully assembled and ready for play
- c) Rotating and adjustable foot system for safety, versatility and easy storage. Stores compactly in 2” wide area due to rotating and adjustable foot system. Foot may be staked to ground yet panel will break-a-way as required.
- d) Attractive and professional look

Safety Features:

- a) Meets ASTM 8 (Appendix A) F 2000 “Standard Guide for Fences for Ball Fields and Other Facilities.”
- b) Signature’s unique TECHNOTIP™ breakaway system (optional) allows individual panels to detach from adjacent panels and tip, falling flat on impact, increasing safety and reducing risk of injury to athlete.
(Note: TechnoTip includes an On-Off feature – unique to SportPanel. Ideal for windy days and prevents premature deployment of breakaway system)
- c) Lightweight design aids in panels ability to tip over on impact, contrasted with possible injury from collision with an immovable, solid object (such as chain link or wooden fences).
- d) Foam connectors prevent a “domino” effect and allow a single impacted panel to disengage and fall upon impact.

e) Reinforced foot system covered by top-to-bottom warranty and will not prematurely disengage on windy days.

f) Rounded, smooth pipe reduces the risk of injury to an impacting outfielder.

Warranty: 3 years – top-to-bottom, including full coverage for foot system, mesh material, and frame.

OPTIONS & ACCESSORIES

- A)** TechnoTip™ Breakaway System.
- B)** Yellow SafeRail™.
- C)** Black Mesh panels for centerfield to aid “batter’s eye.”
- D)** 10 ft L x 20” W Foul Poles.
- E)** Transport Cart for storage and to speed installation.
Also available with Transport Cart:
 1. Hitch attachment.
 2. Tray for wicket and connectors.
